

So Much To Offer!!

- 2-3 enthusiastic Japanese language partners for every foreign student!
- Intercultural programs with local elementary schools!
- Internship programs in Hokkaido companies!
- Furnished apartments with student discount from ¥20,000 per month (or dormitories with meal services)

Student's Association

With more than 100 Japanese student members who participate in intercultural programs we visit many highlights of Hokkaido such as Sapporo Snow Festival and lavender fields in Furano. Of course, many students enjoy long international friendships also after returning to their home countries.

Curriculum

Highly qualified courses of Japanese language, culture and history from elementary to advanced levels. Small-sized (limited to 15) liberal arts courses on the history and culture of Hokkaido. SGU has 110 lecturers in total!
