

Interested in Living & Studying  
in Japan, Hokkaido?

Interested in Engineering  
& Sciences?

THEN come to

**OUR MISSION:** Developing Technologies in Harmony with Nature

**OUR LOCATION:**

**OUR PROGRAMS:**

\*most courses in the undergraduate and master program  
held in Japanese only, partly in English

**LIVING EXPENSES:**

**Accommodation:** JPY 18,600— JPY 35,000

**Personal Expenses:** around JPY 50,000/month

**Monthly Average Total Expenses:**  
around JPY 75,000

**4-year undergraduate programs\* at one of two schools:**

- ★School of Earth, Energy and Environmental Engineering
- ★School of Regional Innovation and Social Design Engineering

**Application Period:**

**Mid-End of January**

Students choose from 8 different course programs:

Applied Energy, Environment Protection and Disaster Prevention, Advanced Materials, Intelligent Machines and Biomechanics, Information Design and Communication, Civil Infrastructure, Biotechnology and Food Chemistry, Regional Management Engineering

**2-year master's programs\*** in the fields of:

- Mechanical Engineering
- Civil and Environmental Engineering
- Electrical and Electronic Engineering
- Computer Sciences
- Biotechnology and Environmental Chemistry
- Materials Science and Engineering

**3-year doctoral programs** in the fields of:

- Manufacturing Engineering
- Cold Regions, Environmental & Energy Engineering
- Medical Engineering

**Short-term exchange programs** for  
students enrolled at KIT's partner institutions

**Application Periods: July & January**
