

About SIU

Sapporo International University is located in a natural urban setting only 25 minutes away from downtown Sapporo by bus and subway.

It consists of 3 faculties and 6 departments. Our faculty of Tourism was established in 1999 and the second of its kind among all the universities in Japan. Since then, we have sent many graduates into the service and tourism industries as well as the aviation field. We strive to provide well-rounded education to each student, allowing him or her to reach their full potential.

Offer for International Students

- ▼We offer international students off-campus housing with school-arranged furnished apartment rooms. Utilities such as gas, electricity and water will be ready when you arrive. The rent is approximately ¥29,000 per month.
- ▼We offer international students at least two Japanese lessons per week. All lessons are instructed in Japanese only.
- ▼Our International Center offers various kinds of events centering around international students such as the Biei-Furano trip and the trip to Historical Village of Hokkaido.
- ▼Tutors and supporters will assist international students with their Japanese study and general issues to have a fulfilling school life.
- ▼We offer international students 35% to 100% tuition exemption.
- ▼We provide information about scholarships offered by various organizations.
