

About the University

Seisa Dohto University has fifty years of history and one of our missions has always been to educate those who can contribute to the development of industry, culture and society. The university consists of three faculties, and students are encouraged to study closely with the teachers and to get involved in the local community. As SDU is a smaller campus university, we can provide students with a warm and supportive environment.

School of Japanese Studies (Bekka)

This course aims to develop students' Japanese language skills to a college/university level. Throughout the students' one year of study they will learn about Japanese culture and society developing overall language skills to achieve JLPT N1 or N2.

Intensive Japanese Language Program

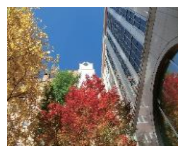

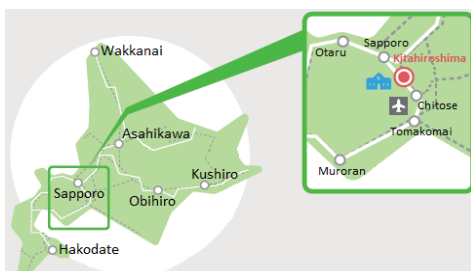

SDU welcomes students from around the world to our academic and cultural and learning opportunities in Hokkaido. The program starts twice in a year; Summer and Winter. Students visit famous sites of Hokkaido as off-campus activities weekly.

Location

SDU is located in Kitahiroshima City, which is midway between Sapporo and Chitose City. Kitahiroshima City has been chosen as the most livable town within Hokkaido for the past four years. The city enjoys easy access by all major transportation.

★16 mins from Sapporo / 20 mins from the airport by train★
